PENT Cadre

To maintain a state-wide community of practitioners who have a similar knowledge base, dedication and passion for creating positive environments, and a repertoire of positive methods of changing a student's behavior to support achievement and quality of life for ALL students and staff

Mission Statement

The PENT Leadership and all membership groups are committed to achieve:

- P**ositive supports available for all students that are evidence-based and lead to lasting behavioral change
- E**nvironments that use positive methods to achieve high outcomes for students in districts, schools, and classrooms
- N**etworking that supports the exchange of evidence-based practice and materials among all PENT groups
- T**raining opportunities, guidelines, and materials made available to educators to assist in the establishment of positive environments and individual student support
