

CULTURAL DIVERSITY

WHAT CAN TEACHERS DO

- Create classrooms that acknowledge, include and respect student differences including linguistic difference
- Develop student efficacy and achievement by providing appropriate and frequent opportunities to learn, practice, give and receive feedback about and revise their work
- Teach to multiple intelligence and learning styles
- Assess student progress and skills in a variety of ways
- Give frequent, timely, specific, relevant feedback about progress
- Provide specific learning support and accommodation to meet students' cultural, linguistic and learning style needs
- Learn and use the language of students
- Learn about and interact with students and their families
